Essentials Drive

WHAT IS AN ESSENTIALS DRIVE?

An essentials drive is an organized collection of personal care hygiene products, clothing, and school supplies for Recovery residents who struggle to afford these basic necessities. Many coming into the Program have just the clothes they are wearing or a handful of belongings.

WHAT ITEMS ARE NEEDED?

Suggested items include (new/unopened) body wash, deodorant, shaving cream, face wash, shampoo, conditioner, hand soap, feminine hygiene care items, lotion, tissues, razors, underwear and socks, notebooks, pens, 18-gallon storage totes.

WHERE CAN I DROP OFF ITEMS?

We invite churches and organizations to set up a donation box or tote at their location. Donations can also be dropped off at the New Creation Country Store & Mission House, or Heartland Community Church (Sundays).

CAN I JUST DONATE MONEY INSTEAD?

Monetary gifts are welcome and will be used to purchase items from the essentials list. Visit www.hlandrecovery.org/give to donate online, or mail a check to the address shown below.

Here are more ways to get involved in Heartland's National Recovery Month activities:
